

NATIONAL PHYSICIANS ALLIANCE

The NPA is a multi-specialty medical organization that champions **high quality health care** for all people.

.....

The National Physicians Alliance is founded to return America's call for physician leadership on today's most pressing health concerns. The NPA believes it is a duty of our profession to stand with patients in the fight for high quality health care for all.

The NPA Will...

- ◆ Represent physicians dedicated to solving America's health care crisis
- ◆ Engage in political advocacy at the local, state, and national levels
- ◆ Conduct professional education and advocacy in hospitals, private practices, and medical societies
- ◆ Engage the public through our advisory Council of Consumers and through media outreach

Why Join the NPA?

- ◆ To restore integrity and trust in the medical profession
- ◆ To preserve and expand access to care
- ◆ To eliminate health disparities
- ◆ To achieve safety-focused malpractice reform
- ◆ To change the face of organized medicine
- ◆ To stoke the fire that brought you to medicine

Join a nimble, transparent, and participatory medical organization that defies the traditional model.

**Committed to Advancing the Core Values of the Medical Profession:
Service, Integrity and Advocacy**

The National Physicians Alliance is founded to restore physicians' primary emphasis on the core values of our profession: service, integrity, and advocacy. The NPA offers a professional home for physicians seeking creative collaboration and mutual support. As a diverse physician community, we work to improve health and well being, and to ensure equitable, affordable, high quality health care for all people.
